PRIMARY EXAMINER

### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest a motor operator for an electrical power switch with the mechanical drive assembly coupled between the motor shaft and the output member including at least a first drive element continuously mechanically linked to the motor shaft and at least a second drive element continuously mechanically linked with the output member, such that, the first and second drive elements are arranged to have temporarily mutually engaging parts, with transfer of motive force to the output member sufficient for switch operation during operation of the motor and that the temporarily mutual engaging parts are arranged for self-disengagement from each other following motor movement of the output member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael A. Friedhofer whose telephone number is 571-272-1992. The examiner can normally be reached on Mon-Fri 6:00 - 2:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Elvin Enad can be reached on 571-272-1990. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
